WASTE COLLECTION SERVICE

DOOR-TO-DOOR

Sort your waste properly at home

Check the waste collection calendar to know which fraction you can dispose of each day of the week
www.tufasmarratxi.net

Place the waste in front of your doorstep or at the designated collection point to avoid disturbing pedestrians

The collection company will pick up the waste and return your bin empty

Bring the bin back inside your home. It is recommended to clean it periodically to avoid bad odors

In case of emergency, you can take the waste to the municipal recycling center

WHAT DO YOU NEED TO USE THE DOOR-TO-DOOR COLLECTION SERVICE

- 1** A ventilated bin to keep in the kitchen for disposing of organic waste (food scraps and small gardening residues). When it's time to take out the organic waste for collection, place the closed compostable bag inside the multi-fraction bin.
- 2** A multi-fraction bin to dispose of all waste in the public area according to the waste collection calendar.
- 3** A magnet with the waste collection calendar, showing which waste can be put out each day and the schedule for placing the multi-fraction bin in front of your doorstep.

WHICH WASTE BELONGS IN THE FRACTION OF **ORGANIC WASTE?**

Cans

Metal caps

Not accepted waste:

- × Full containers
- × Water hoses
- × Hard plastic objects
- × Toys
- × Paper and cardboard
- × Glass containers
- × Coffee capsules
- × Organic waste

Empty containers of liquids and organic matter. Compress the waste tightly inside a garbage bag. On collection day, place the bag inside the multi-fraction bin.

WHICH WASTE BELONGS IN THE FRACTION OF **PAPER AND CARDBOARD?**

Well-folded
cardboard boxes

Newspapers and
magazines

Wrapping paper

Cardboard rolls
for domestic use

Sheets and
envelopes

Paper bags

Flatten or cut the cardboard boxes so they are properly folded, and place the paper and cardboard in a paper bag, a cardboard box, or, if not available, in a trash bag, and then place it inside the collection bin.
